Transportation

Alice Torrent is touring with one van and one car. Please provide a sufficient parking area as close as possible to the load in area/backstage area.

Thank you for sending us a very precise map to access the load in area easily.

Guest list

Please provide a guest list of 10 names total.

Personnel

- 1 qualified FOH technician, experienced with all aspects of the sound system to be available from load-in to load-out
- 1 qualified MON technician, where applicable, experienced with all aspects of the sound monitoring system to be available from load-in to load-out
- 1 qualified LIGHT technician, experienced with all aspects of lights system to be available from load-in to load-out

Those gentlemen would be also highly appreciated as helpers with the load in and load out.

Stage

The stage must be covered and rainproof on outdoor shows, including monitor mix area and front of house.

The stage must be clean and clear of all stage props and obstacles. The stage must be a black box with black curtain in the back. The stage must be ready to use (PA & light) at the get in time.

The artist Tour Manager will have complete control over the stage and house lighting for the duration of the Artist's sound check and performance. The duration and completion of the performance have to be decided by the Tour Manager.

Soundcheck

- We need 1 hour set up and at least 1.5 hour for the soundcheck
- Total duration : at least 2.5 hours to be comfortable
- the entire PA and lighting systems shall be assembled and tested prior to the arrival of the Artist's equipment.
- Artist's engineer have complete control over all the aspect regarding the sound, that means : PA installation, sound check and performance, including sound level.
- The soundcheck shall occur prior to the opening of the venue

Security

The promoter shall at his own expense employ an adequate number of security guards (please avoid uniforms) they shall protect the artist, his band and auxiliary personnel and their properties during and after the performance. Particularly, security must be provided in the areas of the dressing room, parking (at the arrival of bus) and stage. Security protection shall start upon the arrival of the Artist equipment at the venue. **BACKSTAGE ACCESS** : NO person shall be allowed on stage or backstage unless his/her presence is essential to the performance and permission has been obtained from the artist tour-manager.

Tour-manager will brief security chief, and stage security on requirement before doors are to be opened.

Alice Torrent - Stage Plot - 12.2016

Hospitality

Dressing room

Please provide a clean and warm dressing room suitable for 7 people at the sole use of the artist with wifi connection. Easy access to clean lavatories and shower with warm water, along with 6 black stage towels and 7 shower towels. The dressing room and catering will be ready 1/2 hour prior artist arrival.

Catering

Please note : 2 are vegetarian (no fish, no meat), 1 is vegan. We would really appreciate healthy and bio food.

to be available in the dressing room in sufficient and reasonable quantity :

- still water and sparkling water, water fountain welcome
- 8 0.5l still water bottles for stage use
- 6 cans of “zero” coke
- different kind of sodas
- 24 good local beers
- 2 bottles of good quality red wine
- fruit juices
- coffee, tea, milk, honey, lemon and sugar
- assorted sweets, chocolates and biscuits
- fresh fruits, dried fruits & nuts
- mix of fresh salad & raw vegetables
- mix of cheese, bread and charcuterie, butter & mustard

Dinner : 9x 3 courses meals including 2 vegetarians and 1 vegan

Lights requirements

Please send asap your light spec. to info@mgmgmt.ch . We will deal with whatever system you have but we would be also pleased to get a floor package as long as a hazer. Please advise and we will have a chat about how we will take care of it. A huge thanks in advance.

Sound Requirements

THIS SHOW WILL DEFINITELY REACH 100dB

If not applicable please advise asap, we won't accept any restrictions on show day.

Please provide a professional system, well tuned and adequate to the venue capacity A 40 or 48 inputs FOH mixing desk (analog or digital). 8 good compressors and 2 effect units along with a good monitor system with 5 wedges. Mix 6 : Drum will use in ear, please provide him an XLR cable for his mix + 1 sub. Please send us your venue specs asap to info@mgmgmt.ch
